Bristol Health Equity Zone MARCH 2020

MARCH HEZ HAPPENINGS

Join Your Bristol HEZ Team in looking back and looking forward!

Since 2016, the Bristol Health Equity Zone (HEZ), through partnerships, has worked towards equal access to healthy lifestyles for community members at all stages of life.

In order to better understand what our community needs and how we can help, we are conducting a re-assessment survey to evaluate the effectiveness of HEZ programming so far.

This survey should take no longer than 15 minutes. All responses will be kept confidential.

Thive 65 proudly presents in partnership with

The 7th Annual

FAMILY RESOURCE

FAIR
